

We are celebrating My Family Week!

Week commencing:

**Monday 8<sup>th</sup> October 2018 for the whole week**

We are inviting parents or grandparents to come in and read stories to the children. Parents are invited to bring in story books, songs music and family photographs to share with their friends.

My family week aims to celebrate all families, irrespective of a child's circumstances including children with same-sex parents, those who are fostered, disabled, have step families or half brothers and sisters, are bereaved, blended, those who are adopted or who live with grandparents and other family members.

It is important that every child, wherever they are in the world, is able to tell their own story, in their own voice about their family, irrespective of whether this is their blood family or not

All children and their families are invited to join in welcome

On Wednesday 10<sup>th</sup> October 2018 from 10:00am-10:45am

On Thursday 11<sup>th</sup> October 2018 from 2:00pm-2:45pm
